CENTENNIAL MEDAL!

AWARDED BY THE JUDGES

— TO —

The Bradley Fertilizer Co.

24 BROAD STREET,

BOSTON, Mass.

~~~~~  
**REPORT OF THE COMMITTEE.**

AWARDED FOR

“The most complete and instructive exhibition of Commercial Fertilizers of Superior Quality.”

**FARMERS, BUY THE BEST.**

**BRADLEY'S**

**Super-Phosphate of Lime**

has become the Standard Fertilizer in the markets of the United States, having a wider reputation from Maine to Louisiana, than any other concentrated manure. Since its first introduction it has grown rapidly in favor with the agricultural community, and where once introduced, has never failed to hold the first position among Fertilizers, combining, as it does, the quick action of Peruvian Guano and the lasting properties of bone.

## A

# SHORT SKETCH OF DEDHAM.

---

Dedham, the shire town of Norfolk county, is divided into three districts, viz: Dedham Village, and East and West Dedham. It contains the Jail and House of Correction, one of the best structures in the State, and also the largest, with the exception of the Suffolk County Jail. It is built of Quincy granite, after the style of the Boston prison, minus one wing. The Court House is also a very fine building, built of Westfield granite and of the Corinthian style of architecture. Dedham has eight churches; two at West Dedham, Baptist and Unitarian; two at East Dedham, Baptist and Methodist; four in Dedham village, Episcopalian, Unitarian, Orthodox, and Catholic. There is also a brick chapel in the course of erection at Oakdale. The town contains nine schoolhouses. Ames and Dexter in Dedham village, Avery and Quincy in East Dedham, Colburn and Union in West Dedham, and Endicott on Canton street. All these with the exception of the Union school, so called from the fact of its being partially owned by Walpole and partly by Dedham. These school houses are large and commodious, and will compare favorably with any in the suburbs, and we note here, that some of the best talent in the county are engaged in teaching and training the young.

Memorial Hall, which is in reality the Town hall, is one of the finest edifices in the State, erected and dedicated to the soldiers of this town, who lost their lives while serving in the army. There are in the vestibule tablets erected, upon which are inscribed the names and age of each deceased soldier, and name of the battlefield upon which he fell. The hall is capable of seating 800 or 1000 people, and the lower part is used for stores and offices for the town authorities. Strangers visiting Dedham should not fail to avail themselves of the opportunity of seeing this honored building. There is also a Fire Department consisting of one steamer and seven hand engines. Dedham has also a newspaper, printed weekly, having a large circulation throughout the county.

The Asylum for the Relief of Fallen Women, an institution which is patronized by the State, is also situated in Dedham, also the St. Mary's school, formerly the Norfolk House, devoted to Catholicism. The other principal halls are: Temperance Hall in Dedham village, Mechanics Hall in East Dedham, and Baker's Hall in West Dedham. The railroad connections are very good, having two different lines, the Boston & Providence and New York & New England, running every hour during the day. The water supply of the town is also very good, and always sufficient for the needs of the people.
